County Commissioners' Office,
MONTGOMERY CO., SS.

To W. B. Bank ASSESSOR OF THE 17 Borough

OF Watboro GREETING:

PURSUANT to provisions in acts of the General Assembly of this Commonwealth, We, the undersigned, Commissioners of the County of Montgomery, Pennsylvania, hereby require and direct you forthwith to go to the place of abode of each and every taxable person within your Borough and proceed in the manner specified in the oath you have taken or must take before you enter upon the duties of your office, to take an account of the NAMES and SURNAMES of all the taxable persons, White or Black, residing within your said Borough, and the names of corporations doing business therein, arranging them in Alphabetical order; and of all property, real and personal, and all other objects and things taxable by the laws of this Commonwealth "for all State and County purposes whatsoever," placing every SEPARATE lot, piece or tract of land, with the improvements thereon, on a SEPARATE line, so that the value and taxes of each will stand ALONE, and make valuation of the same, in accordance with the oath above referred to; and that you enter said names, property, objects and things with their respective values, each under their appropriate head in the tabular blank forms to which this precept is appended.

1—All real estate, viz: houses, lands, lots of ground and ground rents, parsonages, mills and manufactories of all kinds, furnaces, forges, bloomeries, distilleries, sugar houses, malt houses, breweries, tan yards, fisheries and ferries, wharves, and all other real estate not exempt by law from taxation. All machinery in mills, furnaces, forges, bloomeries, distilleries, sugar houses, malt houses, breweries, tan yards, fisheries, ferries, wharves and manufactories of all kinds and descriptions.

2—All personal estate, viz: horses, mares, geldings, mules and cattle over the age of four years, at their actual value.

3—All mortgages, money owing by solvent debtors, whether by promissory note, penal or single bill, bond or judgment; also all articles of agreement and accounts bearing interest, (except notes or bills for work or labor done, and all obligations given to banks for money loaned and bank notes,) also all shares of stock in any bank or banking and saving institution or company, (excepting in such cases where the company pays tax on the same to the State Treasurer,) and all public loans or stocks whatsoever (except those issued by the State or the United States,) and all money loaned or invested on interest in any other State, and all other moneyed capital in the hands of individual citizens of the State.

4—In assessing money at interest you will be careful to ascertain and note separately in the proper column the character of the security or securities in which such money is invested, whether mortgages, judgments or otherwise.

4—All household furniture, including gold and silver plate, exceeding in value \$300, owned by any person, or persons, corporation or corporations.

5—All stages, omnibuses, hacks, cabs and other vehicles used for transporting passengers for hire, owned by any person or persons, or by any corporate body or bodies.

6—All annuities over \$200 except those granted by this Commonwealth or by the United States, and all property, real or personal, held, owned, used or invested by any person, company or corporation, except as above enumerated, in trust for the use, benefit, or advantage of any person, company or corporation.

7—All salaries and emoluments of office, posts of profit, professions, trades and occupations, except the occupation of farmers, created by or held under the Constitution or laws of this Commonwealth, or created by or held under any corporation, institution or company incorporated by this Commonwealth.

No firm or partnership should be assessed with any real or personal property that is not owned or held by the firm as common stock; and each individual member of a firm or partnership should be assessed in his own name for his office, profession, trade or occupation, and for all real and personal property that he may hold in his own right exclusive of the interest he may have in the firm or partnership.

8—All shares or stock in any institution or company incorporated by or in pursuance of any law of this Commonwealth, or of any other State or Government except as enumerated in paragraph 3.

9—All shares of stock or weekly deposits in any unincorporated saving fund institution.

10—All pleasure carriages, both of two and four wheels.

11—All gold lever or other watches of equal value.

12—All other descriptions of gold watches and silver lever watches or other silver watches of like value.

13—Every other description of watches of the value of \$20 or upwards.

If in any case you should fail to obtain a correct or special description of the aforesaid property, then return the aggregate value thereof as nearly as you can ascertain the same, and in all cases of estimates made by you, where practicable, they shall be made as you would appraise the same in payment of a just debt due from a solvent debtor. If you shall have reason to believe any person or persons or corporation shall have rendered a false return of his, her or their property, trade, profession, occupation or any article made taxable by law, or shall not make a full disclosure of the same, you shall return what you shall BELIEVE to be the full value and amount thereof to the Commissioners.

14—In assessing all persons who have been mustered into the military or naval service of the United States, and have served therein for a period of not less than nine months, in the war to suppress rebellion, and those persons who have been discharged from said service on account of wounds or physical disability contracted in such service, you are directed to make the usual assessment, but note the facts as the case may be in the column for remarks.

It is your duty to make return of all property, specially exempt by acts of the said General Assembly from the payment of taxes, in a SEPARATE LIST, said list to contain, among other things, the following, viz:

All churches, meeting houses and other places of stated religious worship, with the grounds thereto annexed, not exceeding ten acres; all universities, colleges, academies, and school houses belonging to any County, Borough or School district, or incorporated, erected, endowed or established by virtue of any law of this Commonwealth, with the grounds thereto annexed, not exceeding ten acres; also, all burial lots, the lands and premises of all cemetery companies, where such property is held in trust for the sole purpose of improving said lands and premises, and whose revenues, of whatever kind are devoted to that object, and in no way inure to the benefit or profit of the corporations, or any of them; also, all lunatic asylums, almshouses, poor houses, houses of refuge, penitentiaries and asylums, schools and hospitals, supported by the appropriations annually made thereto by this Commonwealth, together with all lands attached to the same; also, all charitable institutions, provided by charitable gifts or otherwise, the chief revenues for the support of which are derived from voluntary contributions, together with the lands attached to the same, and, by decision of the Supreme Court, the following properties are also exempt, viz: the bed, berm-bank, towpath and reservoirs of a canal; water stations and depots of a railroad; also, toll houses of any incorporated company.

The duties enjoined upon you by this precept are to be fully performed, and the list and account of persons and property herein required of you, must be returned to the public house of John James Watboro on the 6th day of May, A. D. 1880.

Herein fail not, under the penalties which may ensue.

Given under our hands and seal of the County of Montgomery aforesaid at our office, in Norristown, this 20th day of March, A. D. 1880.

ATTEST:
